EASTER SERVICES

Easter services in commemoration of the resurrection of the Savior were held at all the churches, Sunday. This is the sweetest of Christian observances and it is fitting that special decorations and beautiful music be provided for the celebration of this anniversary.

At the M. E. Church, South, the pastor, J. B. Jordan spoke in the morning and Rev. W. M. Wainright at night. The music was very good. At the morning service four children were baptized. The Epworth League service, led by Miss Sarah Watson, was most interesting.

The other churches listened to sermons by their pastors both morning and evening and all had special music for the occasion.

Sunday afternoon the Knights Templar held their beautiful Easter service. The choir of the Presbyterian church gave several beautiful selections. The address given by Rev. J. B. Jordan was very interesting and much enjoyed by the large congregation.

FREIGHT LOCOMOTIVES DELIVERED

St. Louis, April 11.—Delivery of the twenty-five freight locomotives purchased by the Missouri Pacific-Iron Mountain in January has just been completed, the last of the engines having been turned over to the company at St. Louis a few days ago. They are of the Mikado type and are among the largest and most powerful of that class in service on any railroad in the country. Each weighs 400,000 pounds when equipped for service, and measures 78 feet 4 1/2 inches in length and 15 feet 5 1/2 inches in height. The cylinder measures 27x30 inches, and the boilers have a steam pressure capacity of 170 pounds to the square inch. The weight on the main driving wheels is 209,000 pounds and the engines have a tractive force of 50,160 pounds. They are equipped with electric headlights, electric cab lights and Schmidt superheaters. Eight of the engines have been assigned to service on the Joplin Division, three to the Eastern Division, eight to the Omaha Division and six to the Southern Kansas Division.

MOTION TO RE-OPEN INTER-INSURANCE SUIT

Jefferson City, April 11.—A motion was filed in the supreme court tonight to reopen the suit under which twenty-nine inter-insurance companies were held to be doing a fire insurance business in this state without any standing in law. Sixteen of these companies are in Kansas City. Following the opinion of the court ten days ago, State Superintendent of Insurance Revelle revoked the licenses of all the companies and threatened them with criminal prosecution if they continued business. It is possible that the motion for a rehearing will be passed upon Monday.

TO BE PERMANENT TOWN

Panama, April 11.—Pedro Miguel, where the canal locks of that name are located, is to be one of the model permanent towns of the Isthmus. The canal government has been busy there for the opening of the canal next year. Macadam streets and concrete sidewalks are being laid and many new houses are being built for the operating force of the locks. A large playground for children and tennis and baseball grounds also are well under way. In front of the Young Men's Christian Association building is to be the plaza, which will be one of the beauty spots of the town.

EASTER PARTY

A beautiful Easter party was given by Mrs. L. R. Baum, 416 Frisco avenue for her daughter Fay, Saturday afternoon. In spite of the inclement weather there was a large crowd of children present.

Those who came enjoyed many games, two of them being Catching the Rabbit and Hunting Easter Eggs. A prize was given the one finding the most eggs and Miss Loraine Beatty was the lucky one.

Mrs. Baum was assisted in entertaining by Misses Pauline Simons, Elma Thomas and Bessie Hoover, the latter playing the piano.

A dainty one course lunch was served to the following: Zena Fitzjohn, Kit Carson, Kittie Belle Taylor, Charlotte Bradford, Ruth Cox, Mary Bush, Alma Wilson, Ethel King, Irene Newberry, Loraine Beatty, Marie Binney, Jessie and Bessie Colbert, Mildred Hastings, Ruth Wilhelm, Vera Peters, Jessie Ferguson, Helen and Genevieve Williams, Janice Snider, Laura Rice, Archie Andrews, Louise Rice, Ruth Mahoney, Dorothy Clevenger, Lois Wright, Helen Davis, Mary Goodwin, Ruth Johnson, Mildred Kenney, Isabelle Miller, Pauline Simons, Bessie Hoover.

LIVED ON RAW EGGS

Mr. Richard's Experience With Different Diets. Peaches and Buttermilk for Three Years.

Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.

What he has to say about his experiments, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind.

He says: "For more than 12 years, I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles.

I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs.

I was a physical wreck. I could not sleep, and was as near crazy as a man could well be.

I must say that after taking two 25-cent packages of Theodor's Black-Draught, it did me more good than all I ever spent for other medicines.

I have been working daily on the farm ever since, and I am as hard as iron." This purely vegetable remedy has been in successful use for more than 70 years. Try it. But be sure that it's "Theodor's."

A very large shipment came into town this week, one that should be of especial interest to all the citizens. It contained high grade furniture for Bob Callaway, and the goods are on display for your inspection.

Special attention given to diseased teeth and gums. Call on Dr. L. West, Dentist, 210 Third street, Monett, Mo. 23 tf
